Praise for the Bobby Dollar series:

“When I heard that Tad Williams was writing an urban fantasy novel, I got all tingly. Now I’ve read it, and it’s even better than I’d dared to hope. It’s snarky, fast-paced, and above all, original. You should be tingly, too.”

—Patrick Robbins, +1 New York Times bestselling author of The White Man’s Four

“A noir fantasy series with a dark and thrilling story of Heaven and Hell battling for human souls. Exhilarating action, fascinating characters, and high stakes will keep the reader both satisfied and eager for the next installment.”

—Publisher Weekly (starred review)

“A tough, likeable hero and a multidimensional plot… The author’s many fans will be as well as urban fantasy enthusiasts who will enjoy Williams’s take on Heaven’s less desirable places as well as his wry humor and keen insights.”

—Library Journal (starred review)

“You could call this angel noir or metaphysical mysteries; either way it’s something very strange and deeply entertaining.”

—San Francisco Chronicle

“Williams has managed to create something really special, that manages to breathe new life into the urban fantasy genre while at the same time retaining that magic of his earlier novels. An incredible start to a promising series.”

—SF Book Review

“With silver bullets flying and smart-mouthed angel Bobby Dollar ready to kick some demon ass, this is an awesome, action-packed read.”

—Kristen Britain, bestselling author of Blackveil

“I’ve read it, and it’s even better than I’d dared to hope. It’s snarky, fast-paced, and above all, entertaining.”

—San Francisco Chronicle

“Dollar’s quest for the truth uncovers lies and deception, in heaven and hell, that propel the headlong plot towards a fascinating conclusion.”

—The Guardian

“The angels aren’t exactly angelic in this wickedly good start to a new crime noir series. This one kept me up all night reading to see what twists and turns Bobby will have to navigate next.”

—Parkersburg News and Sentinel

“Don’t you worry. This isn’t the end. There’s still a whole lot more to come, and it’s going to be even better.”

—Library Journal (starred review)

“An incredible start to a promising series.”

—New York Times Bestselling Author of The Wise Man’s Fear

“Due to the author’s many fans and as well as his wry humor and keen insights.”

“Tad Williams—Bobby Dollar, to his friends on Earth and his even more numerous enemies call him—has already been to Hell in try to retrieve his beloved Caz from the clutches of an archdemon named Eligor. That mission failed. Now, not only does Caz (who’s actually a demon, herself), but will also personally remain a prisoner in the place of Eternal Punishment, but Bobby’s friends and informants are deserting his right and left and his new apartment seems to be haunted. Also, somebody high in the heavenly hierarchy wants Bobby eliminated. And we’re not talking about downsizing, we’re talking about utter destruction.

When you’re a minor angel, and pretty much everything you’ve been doing is against the rules, that’s called trouble. When you add neo-Noir, other-dimensional creatures, and the world’s ugliest automobile into the mix, that’s even more trouble. And when you combine all that with Hell’s most powerful demons and at least one of Heaven’s most powerful angels wanting nothing more than to see you burning forever in Hell—well, that’s even more trouble. That’s called The End, and for Bobby Dollar, it’s approaching fast.

Time for Bobby to get back to work. Because it’s almost Judgement Day, and Heaven isn’t going to overrule itself.”

As usual, the angel Dolehret has a few problems.
